 Rates could be slightly more or less depending on promotions being offered...call for 3-5-day option to see exact pricing with all inclusions but in any case, we guarantee the lowest rates and best perks offered anywhere.

**GROUP BENEFITS:** \$75 OBC & More! These are in addition to the other perks offered by the cruise line at time of booking.

**IMPORTANT:** Remember, we hide no tax or fees in these quotes like most others do...If our prices seem higher, it's due to all taxes have been added to your fare...nothing is left to owe later...AND, ANY BETTER OFFER WILL BE BEAT BY US! GUARANTEED!

**CURRENT PROMO:** EXPLORE 4 including SIGNATURE BEVERAGE, PINNACLE GRILL DINNER, FREE or REDUCED 3<sup>rd</sup>/4<sup>th</sup> GUEST & 50% DEPOSIT!

**DEPOSIT/PAYMENTS:** Group deposits are about \$900 per person but we have ½ price deposits going on for a limited time, along with other perks (listed above) within that deposit promotion. Things like "free drinks" and "specialty dining" plus our onboard credits only offered by us! Also, involved in the promotion are special pricing for 3<sup>rd</sup>/4<sup>th</sup> guest in same cabin. Final payments are

due 100 days prior to travel and that's when we can start to book additional shore excursions. This particular CruiseTour is in little need to buy additional excursions...but, a few might be needed on both land/sea.

**LAND DINING:** As many cruisers know, dining is included onboard the ship! However, many lines do not offer a dining plan on the land portion of their trip! This one does, and it's only about \$279 per person! May sound high but food is very expensive in Alaska and this will include 7 meals (2 Breakfast, 2 Lunch & 3 Dinners) with amazing options! Maybe your best money spent!

**OPTIONAL EXCURSIONS:** Very little is needed for this trip. It's good to see a glacier (Mendenhall in Juneau or Portage in Anchorage) but that's about it! But, you'll have many other options to choose from, including whale watching or fishing...Plus, you could add extensions at the beginning (Vancouver) or the end (Anchorage)!

**CANCELLATION PROTECTION PLANS:** CPP Standard will allow you, for any reason, to provide written cancellation up to 24 hours prior to the start of your scheduled travel (sea, land and/or air) arrangements made by Holland America Line and receive a refund equal to 80% of the eligible amounts paid. CPP Platinum enables you to supplement the benefits provided under the CPP Standard Plan with higher cancellation reimbursement and extends the eligible cancellation period up until the start of your scheduled travel (sea, land and/or air) arrangements made by Holland America Line. CPP Platinum also provides insurance coverage for trip delays and interruptions, medical expenses and much more, including a 24-hour worldwide emergency assistance services. We highly recommend the Platinum coverage over the Standard and it's surprisingly just slightly higher.

**LITERATURE:** We have full 85-page brochures on this program as well as many others. Personally, this is the best CruiseTour for the money that spends a little at sea and a lot on land. We have other options that includes more or less time on land but all of these include a 3-night cruise when going northbound. We also have cruises that do the tour part first and take a 4-night cruise at the end but it's considerably higher and really your only gain is the port of Ketchikan, and of course, doing the cruise last instead of first. Call for any of these other options, or see our other flyer on the 7-night cruise with 3-night land package.

**AIR:** It's too early for airfare quotes, however HAL may be able to offer "contract rates" which allow you to wait until your final payment to purchase! In many cases, this can save you money. Also, if you have a ton of Frequent Flyer miles, this is a great time and trip to use them on. In 2017 our airfares ran between \$525 and \$900. Yes, it's a wide range but it was due time of travel as well as time of ticket purchase! The more in advance we purchase, the better the options and pricing are. Seat assignments could be extra, especially on certain airlines and flight segments. Call for help with this...it can get complicated.

It's nice to have notes from our conversation so below is an area just for that. Maybe print this two-page flyer out before calling.
